## The Jane B Semel Healthy Campus Initiative Appreciation and Recognition Award

The Semel HCI Center at UCLA is pleased to announce the student, faculty and staff award recipients of the Jane B Semel HCI Appreciation and Recognition Award. These awardees actively embody the Semel Healthy Campus Initiative Center principles in striving to improve the physical, mental, and social wellbeing of the UCLA community. Semel HCI's goal is to build health equity by creating a culture of health and social justice through our major thematic areas of MindWell, BEWell, EatWell, EngageWell, MoveWell, ResearchWell and BreatheWell. Semel HCI is guided by the values of:

- **Foster Health and Well-being** - Create an environment that fosters health and well-being and maximizes human and planetary health by illuminating the interdependence of human and environmental systems and advancing holistic solutions
- **Encourage Responsibility** - Educate individuals and communities about the impact of their actions and empower them to make positive change
- **Celebrate Diversity** - Foster an inclusive environment that prioritizes empathy and embraces differences in values and approaches to health and well-being
- **Strive for Equity** - Identify health disparities and generate solutions for equitable access to health resources and a healthful environment
- **Be Integrative** - Drive empathetic change by integrating approaches across disciplines, departments, and stakeholders, and take an integrated approach to mind and body well-being

### Congratulations to the awardees:

- **Nicole Green**, Executive Director of Counseling and Psychological Services
- **Al Ferrone**, Senior Director of Food & Beverage, UCLA Dining/Hospitality Services
- **Jessica Arzola**, Graduate Student, Global Food Initiative Fellow
